Labour MP 'taunted her lesbian aide

A SENIOR Labour MP taunted her office manager about her sexuality as a lesbian, a court heard.

Jenny Lee Clarke, 42, told a jury about the "humiliation" she suffered at the hands of Shadow Equalities Minister Carolyn Harris, 57, at a Labour constituency office.

She accused Mrs Harris of a campaign of embarrassment against her once she found out she was gay.

Clarke, who was sacked by Swansea East MP Mrs Harris in January 2016, wept as she told the jury: "She asked what I did in bed with my girlfriend and would say things like, 'You've got your dyke boots on today'."

Clarke is on trial accused of forging Mrs Harris' signature to give herself a pay rise and lower her working hours.

She denies the charge and the trial at Cardiff Crown Court continues.

M*A*S*H Alan has Parkinson's

ACTOR and director Alan Alda, who played Hawkeye Pierce in long-running war TV series *M*A*S*H*, has Parkinson's disease.

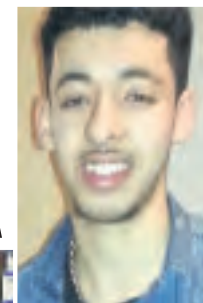

The six-time Emmy Award winner said he was diagnosed three-and-a-half years ago.

Alda, 82, tweeted that he had decided to share the information in order to convince others with the condition to keep active.

He wrote: "I take boxing lessons, play tennis, I'm not entering dementia. I'm no more demented than I ever was."

ARENA BOMBER RESCUED FROM LIBYA BY NAVY

WE SAVED HIS LIFE: Abedi was plucked to safety after being caught up in fighting

THE Manchester suicide bomber was RESCUED by the Royal Navy from war-torn Libya - three years before his Ariana Grande concert atrocity.

HMS Enterprise plucked Salman Abedi, then 19, from the Libyan coast and took him to Malta for a flight to Britain in August 2014.

But last May he set off a bomb in Manchester

Arena that killed 22 people, including seven children.

Abedi's younger brother Hashem, who is in jail in Tripoli facing trial over the attack, was also rescued by HMS Enterprise.

The pair had been caught up in fighting in Libya and were among more than 100 British citizens taken to safety.

A Whitehall insider said: "For this man to have committed such an

atrocity on UK soil after we rescued him from Libya was an act of utter betrayal."

The revelation will enrage families who lost loved ones in Abedi's despicable attack.

It is also likely to raise fresh fears over possible intelligence failures.

Abedi was known to the security services

and was being monitored at the time of his trip to Libya.

But just one month prior to his rescue, MI5 closed his case as a result of mistaken identity.

After returning to Manchester, his descent into a fanatical spiral culminated in last year's suicide bombing.

Megan: I wanna be a LOOSE WOMAN!

REALITY TV star Megan McKenna says she'd love to have a permanent spot on the *Loose Women* panel.

Megan, 25, quit ITVBe show *The Only Way Is Essex* last October and has since launched a successful career in country music.

However, she's now hoping her close friend Coleen Nolan, 53, can help land her a panellist position on ITV daytime chat show *Loose Women*.

Megan said: "I've been on the show as a guest and I loved it."

By BECCA STUBBS

Opinion

"I love Coleen – I really get on with her – so that would be something I'd love to do."

"They need a younger person who can voice their opinion."

Megan (above) also has huge hopes for her country music career and dreams of a

worldwide tour – but insists she will never go back to reality TV.

The brunette beauty added: "I think I would stay clear of constructed reality – I'm better off with documentary style and being left to my own devices."

"What I want most in life is to have my own tour all over the world and an album."

KYLIE'S IN TRAIN-ING

KYLIE Minogue is hoping to give commuters a pleasant surprise when her distinctive voice is played at railway stations on BBC Music Day.

The Aussie superstar has recorded a series of fun messages that will be played at major Network Rail stations in the UK on September 28.

Kylie is an ambassador for BBC Music Day and said it is "a wonderful initiative".

She said: "I truly believe in the power of music to bring joy and lift the soul. I am thrilled to be supporting it this year."

WOMAN WHO HAD SEX WITH BOY, 13, WALKS FREE

Judge warns her: No more teen parties at your house

A WOMAN convicted of having sex with a boy of 13 has avoided jail.

But Jordan Lightfoot was warned by Judge David Hale not to invite teenage boys around for a party.

Lightfoot was found guilty of three charges of sexual activity with the 13-year-old boy and also sexual activity by touching with a boy of 15 and causing or inciting the elder boy to engage in sexual activity.

She was 19 at the time of the offences and had sex with the younger boy at her home in the summer of 2016, a jury heard.

The offences came to light when the boy's mother found text messages on his mobile phone.

After considering a pre-sentence report Judge Hale imposed an 18-month jail sentence, suspended for two years, with 50 days of rehabilitation activity.

Baby

A five-year sexual harm prevention order was made which bans Lightfoot from contact with boys aged between 11 and 16 unless inadvertent or with consent of parents who know about the conviction.

Lightfoot, the mother of a baby whose father is unconnected with the case, was also placed on the sex offenders' register for 10 years.

Prosecutor Jo Maxwell

By **COLIN HURST**
news@sundaysport.co.uk

said text messages between Lightfoot, from Rhyl, North Wales, and the 13-year-old "made it obvious she was in control of the relationship".

Defending, Simon Killeen said the offences happened in a short period of time "when she was an immature teenager".

Passing sentence, Judge Hale said it happened during a troubled period of her life, living on her own.

"You became involved with a group of lads, people who were prepared to befriend you, and you were

prepared to befriend them," said the judge.

"On these two occasions you engaged in a brief sexual relationship with both of them.

"There is a disparity of age, they were vulnerable because they were even less equipped than you to deal with the emotional relationships involved.

"I accept you were immature."

Passing sentence, the judge told her: "No teenage lads around for parties or anything like that."

The sexual harm order was to avoid the risk of her "forming a relationship with a lad of 14 or 15", the court heard.

Our Girl star's a holiday sizzler!

BUSTY actress Michelle Keegan looked sensational in a pink and black bikini and held her boob to make sure she didn't suffer a nip slip.

The 31-year-old brunette beauty is currently on holiday in Mallorca with her husband Mark Wright, 31.

And the star of BBC1 hit show *Our Girl* certainly sent temperatures sky-high on the Spanish holiday island.

Released schizo stabbed gran and removed eyeballs

A MAN killed his grandmother in a "frenzied and vicious" attack two months after he was released from a psychiatric hospital, a court has heard.

Kordian Filmanowicz, 21, stabbed and slashed 62-year-old Ilona Czuper dozens of times, removed her eyeballs and "almost obliterated" her head, as well those of the family's pet cat and dog at their home in Mitcham, south-west London.

The paranoid schizophrenic has admitted one count of manslaughter on the grounds of diminished responsibility at the Old Bailey.

Prosecutor James Mulholland told a sentencing hearing that Filmanowicz had spent six months in psychiatric hospitals.

Senior psychiatrists released him into the community on medication in May 2017 – about two months before the brutal killings – after deciding he had made a "huge improvement".

Filmanowicz (above) will be sentenced later.

MEGABONKS!

Dani offered £1 million for sex movie with Jack!

HAVE IT AWAY
DAY: Jack and
Dani could get a
fortune to shag

By BECCA STUBBS

becca@sundaysport.co.uk

LOVE Island winners Jack Fincham and Dani Dyer could be set to earn a cool £1 MILLION as top grumble vid company Television X have offered them a mint to make an EXCLUSIVE PORN movie.

Dani, 22, and 26-year-old Jack won the nation over with their humour and loved-up displays throughout their time in the luxury ITV2 villa.

However, viewers were left short-changed after the winning couple remained celibate throughout their eight-week stay.

But that could all be about to change as Television X have offered them the eye-watering sum to shag on screen.

A Television X spokesman said: "Jack and Dani have been our favourite couple since they first hooked up on the island. We know sexual energy when we see it, and these guys have it!"

"We understand that this is a pivotal moment regarding their future careers within the media, they will surely be offered many different options and opportunities.

"Television X would like to come in and just say this...Jack and Danni and sex in-front of camera for £1 million. It's a strong offer and it's one we don't put forward lightly.

"We know that Danni would look great being f**ked in full HD and we're sure the Jack is man enough for the job.

Sexual training

"Jack and Danni can have as much creative control as they wish and we are happy for them to work with some pro performers from the industry to get some 'sexual training' before the day of the shoot."

The couple were crowned the winners of the reality show in Monday night's live final and walked away with the £50,000 cash prize.

They narrowly beat runners-up Laura Anderson, 29, best known to *Sport* readers as Missy Love, and her partner Paul Knopps, 31, to the title.

Josh Denzel, 26, and his girlfriend Kaz Crossley, 23, came third, whilst glamour girl Megan Barton-Hanson, 24, and boyfriend Wes Nelson, 20, came in fourth place.

All eight finalists enjoyed an after-series party on Monday night alongside *Love Island* host Caroline Flack, 38, and they all landed back home yesterday, to crowds of screaming fans waiting in the airport.

Analysts have already predicted this year's crop of Islanders could be set to make the most money yet thanks to club appearances, fashion brands and spin-off shows.

TUP FOR GRABS: Dani has chance to make mint from sex

Flack: It's more than sex, abs and boobs!

LOVE Island host Caroline Flack defended the show's decision to not air as many SEX scenes as in previous series.

The ITV2 reality show has featured plenty of scantily-clad contestants parading around the luxury villa – but sex scenes haven't been as prominent.

However, Caroline, 38, defended the decision to shun bedroom bonking and said sex isn't the main focus of the show.

She said: "We only show the sex if it's part of the storyline. It's not sex for sex's sake."

"And people aren't really interested in it."

"They want to know what people are thinking and feeling. I think people have grabbed on to what the show is about."

"It's so much more than sex, abs and boobs. There will always be snobbery with reality TV, but it's definitely proved itself and I think we do it pretty well."

Caroline (above) recently split from toyboy fiancé Andrew Brady, 27, following reports of his infidelity and rumours he was using her for fame.

But Caroline isn't bothered and added: "I don't fear being single."

Uni degree... no, you can earn more on Love Island

ECONOMIC experts have claimed that an appearance on *Love Island* is MORE LUCRATIVE than getting an Oxbridge degree.

Analysis by Frontier Economics found an eight-week stint on the ITV2 show can pull in an average of £1.1million from sponsorship and appearance fees.

It's a lot less than the 'extra'

lifetime earnings of £815,000 a person can expect to get from completing an undergraduate degree from the UK's most prestigious universities.

Analyst Kristine Dislere said: "If you've got an offer from Oxbridge and *Love Island*, you're better off going on *Love Island*."

Those who stay in the villa for the full series can pocket some £2.3m over the next five years, while winners can take home around £2.4m – including the £50,000 prize money.

Final viewing breaks record

THE *Love Island* final broke records for ITV2 on Monday, with an average of 3.6million viewers tuning in to watch Dani Dyer and Jack Fincham being crowned the winners.

The extended episode of the programme, which aired from 9pm until 10.40pm, peaked with an audience of 4.1million, according to overnight ratings.

ITV said it marked the biggest audience ever for an ITV2 programme, and that it was the most-watched show in its timeslot across all channels.

Last year's final was watched by an average of 2.6million. In consolidated ratings, including those viewing via the ITV Hub, this series' average is at five million per episode, ITV said.

Paul Mortimer, ITV's head of digital channels and acquisitions, said: "*Love Island* was once again the must-see show of the summer."

999 handler's job is not a lot of funghi

A WOMAN dialled 999 to tell police she had been "mugged off" by a takeaway company that delivered her a mushroom pizza instead of a meat feast. A recording of the exchange was released by Essex Police as part of a campaign against hoax and inappropriate calls.

The call handler asks the woman if everything is OK, and she replies: "Yeah, no, I've been mugged off by a f**king takeaway, would you believe it."

"I rung up for an 18, a number 18 meat feast, and she's trying to tell me nah, you ordered a number eight. I'm allergic to mushrooms so I know for a fact I didn't order a number eight, right, and I've got a pizza sat here with f**king mushrooms on it that I can't eat, £11.99 later she doesn't want to help me out or nothing."

The force said it receives around 400 hoax or inappropriate 999 calls each month, including one lady who complained that her Nando's chicken was undercooked.

POP babe Cheryl is reportedly looking to get back on the dating scene – and Simon Cowell has allegedly offered to play Cupid.

Cheryl (above), 35, split from 24-year-old fella Liam Payne recently but pals claim she's looking for love again and isn't ruling out online dating.

A source said: "She's told pals she's ready to get back out there."

"Her close friends reckon she'll be receptive to Simon Cowell's offer to play Cupid for her, and some are even persuading her to get on the celebrity dating app Raya, which she hasn't ruled out."

ACTRESS Amber Heard flashed her entire BOOB as she had a huge clearout at her Los Angeles home. The stunning 32-year-old bent down to sort through her belongings and ended

up revealing her braless nork. Her loose fitting white dress did nothing to cover up her bare chest when she leant over – giving a fine display for the passing pap to record.

BEATEN TO DEATH BY MEAT TENDERISER

Bagel tycoon's son 'slaughtered mum & sister'

ACCUSED: Joshua Cohen

A RENOWNED bagel baker broke down in court as he described finding his mother and sister lying in a pool of blood at the family home.

Mother-of-five Louise Cohen, 66, and Hannah Cohen, 33, were allegedly stabbed and beaten to death with a meat tenderiser in the basement of their house in Golders Green, north London, on August 11 last year.

Widowed Mrs Cohen's youngest son Joshua, 28, is accused of attacking them before changing his blood-stained clothes and walking out.

He was arrested in nearby Golders Hill Park the next day and charged with two

counts of murder.

Members of the Cohen family, who run a world famous bagel bakery on Brick Lane in the East End, attended the Old Bailey for a trial of issue.

Judge Nicholas Hilliard QC ruled the defendant, who sat in the dock, was unfit to stand trial.

Mess

He told jurors Cohen was mentally unwell and that they would only be asked to decide whether he caused the unlawful deaths of the two women, and not whether he was guilty of any offence.

Giving evidence, his brother Nathan Cohen, 31, tearfully described how he

found his mother and sister.

Mr Cohen had returned home from work and had noticed a "red mess".

He wept as he told jurors: "I saw my mum and sister lying in a pool of blood."

At the time of the killings, Joshua Cohen had been living in an annex in the garden. Nathan Cohen told the jury his brother no longer had a key to the house and would not come in unless another brother was present.

CCTV cameras appeared to reveal that at about 8pm, Joshua Cohen walked to the main house and was let in by his mother while his sister vacuumed the sitting room.

The prosecutor, Sarah Whitehouse, said: "Hannah and Louise Cohen were never seen again."

Cohen emerged bloody and carrying bloodstained

STABBED TO DEATH: Hannah Cohen

clothes, jurors heard.

Louise Cohen suffered 13 stab wounds to the head, face, neck and body and a traumatic brain injury, most likely from multiple blows.

The head injuries were said to have been caused by a heavy object such as an iron or meat tenderiser.

Hannah Cohen suffered a stab to the neck which would have killed her in seconds, the court heard.

The hearing continues.

Corrie's Cath is looking to play a Blinder

CORONATION Street beauty Catherine Tyldesley is set to wave goodbye to the cobbles but she's got her eye on a new role.

Cath (above), 34, fancies appearing on gritty BBC gangster series *Peaky Blinders* when it returns next year.

The stunning blonde has played bolshie barmaid Eva Price in the ITV soap since 2011, and now she's finished filming her final scenes she's looking forward to trying her hand at other types of shows.

Cath said: "I'd love to do *Peaky Blinders*. I think Kate Oates (the producer) has massively fuelled my desire to do some gritty stuff."

"I adore comedy and I'd love to do more of it in the future, but we'll see what happens."

Despite leaving the soap, she hasn't ruled out a return in the future and she said: "Of course I'd consider it. I would love to see Eva come back and wreck some more havoc – that'd be brilliant."

TOWIE Gemma 'in spunk hunt'

TOWIE star Gemma Collins is allegedly on the hunt for a **SPERM DONOR** following her **SPLIT** from boyfriend James 'Arg' Argent.

Gemma, 37, and Arg, 30, reportedly called time on their romance after a series of rows about starting a family, but she is apparently still pursuing her baby dream.

A source said: "Even though she wants a baby more than anything, she knew he wasn't the right man. She said she'd rather do it on her own."

"She's an independent woman and is adamant about finding a sperm donor and being a mum."

RHIAN'S DEATH THREATS HELL OVER 'SORRY TESS' LETTER

MADE UP: Tess forgave hubby Vernon over texts

Sick fans in Twitter backlash

GLAMOUR girl Rhian Sugden's apology to presenter Tess Daly for **SEXTING** her hubby Vernon Kay **BACKFIRED** after trolls sent her **DEATH THREATS**.

Rhian, 31, penned an apology to *Strictly Come Dancing* host Tess, 49, almost a **DECADE** after she was caught sending X-rated messages to TV host Vernon, 44. But after releasing the letter over the weekend, Rhian has been left "terrified" by rape and death threats.

Mad

So vicious were the trolls she begged for an internet shutdown.

Shortly after her open letter was printed, Rhian tweeted: "I've had death threats all weekend for something I wasn't even responsible for. Society has gone mad. Shut down the internet."

In 2010, Vernon confessed to sending "racy" texts and Twitter messages to the stunning blonde after meeting her at a club in Bolton.

Rhian took the steps to say sorry for her part in the scandal with an open letter which said: "I deeply

regret creating a friendship with Vernon and allowing him to continue speaking to me the way he did.

"I should never have got involved with a married man."

"As time has passed I regret not being wise enough or strong enough to deal with my own issues and insecurities myself."

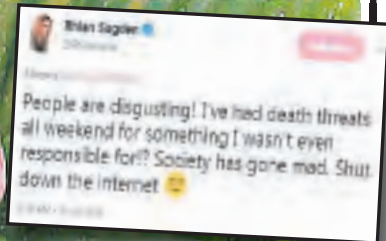

"The exchange of messages was inappropriate and I should not have encouraged such behaviour. I know it takes two to tango, but I could have stopped contact."

"I could have changed the series of events but for one reason or another, I didn't. It was selfish of me and massively out of line."

"I feel the need to make it clear that we never met up alone."

"It was nothing more than a close friendship and flirty messages."

"I appreciate nothing I say will make any difference, but I want to give you my sincerest apologies and I wish you both all the happiness for the future."

Shock new sex toy ad premieres on telly

AN advert featuring four people at the point of climax has been given the all clear to be screened on mainstream telly.

It shows real couples ripping off each other's clothes as it builds to a climax featuring two men and two women enjoying an orgasm. It was commissioned by online sex

toy retailer *Lovehoney* as part of its *Turn Up the Turn-On* campaign and was aired on most non-terrestrial channels on Tuesday evening.

Lovehoney received the Queen's Award for Enterprise for boosting British exports two years ago, and

co-owners Richard Longhurst and Neal Slateford met the Queen, Prince Philip and other senior royals at a Buckingham Palace reception.

The ad was cleared to run on TV after the 9pm watershed by regulators Clearcast, which pre-approves most British television advertising.

The aim of the 30-second advert is to mimic the "rhythmic energy" of real sex – so it builds to a climax featuring the montage of orgasm faces.

Celebration

It ends with a lingerie-clad woman tapping her backside with a feather tickler with the pay off line: "It's time to say yes to more yes! Who doesn't want better sex?"

Its launch has been timed to coincide with National Orgasm Day – a global celebration of sex.

The ad's director, Tiny Bullet from Thomas Thomas Films, said: "This was one of the more unusual briefs: to normalise sex toys and encourage the British public to have better sex. 'Getting the right tone of voice was key – it had to be fun and sexy, but not too naughty."

"We came up with some inventive ways to suggest products without

showing them, like the vibrator cam shot.

"I also wanted the edit to have a rhythmic energy similar to having sex, where we have moments of calm just like foreplay that build until the spot climaxes with our montage of orgasm faces."

Madge plans to stay home for her 60th

POP legend Madonna has reportedly **RULED OUT** a celebration tour for her 60th birthday, because she's too busy enjoying a more relaxed lifestyle.

The iconic singer is 60 later this month but is lapping up the "OAP lifestyle" in Portugal.

She recently moved to Lisbon to help her 12-year-old son David Banda go further with his football, after he was snapped up by Benfica.

A source said: "Madge is enjoying having time off and winding down. She hasn't retired, but she is revelling in a slower pace of life and focusing on her children."

"She has said she wants to be surrounded by her family. That is what is most important to her and she thinks her house in Portugal will be the perfect place to host."

Madonna's 60th bash is allegedly a lavish party on her Quinta do Relógio estate, which doubles up as a palace.

CHARLOTTE: YOU DIRTY COW!

Ex on the Beach star is peed on in farm show

By BECCA STUBBS

becca@sundaysport.co.uk

REALITY star Charlotte Dawson revealed she gets PISSED ON by a COW in the new series of *Celebs on the Farm*.

The infamous farmyard reality show has been revamped, almost 14 years after Rebecca Loos famously wanked off a pig.

However, Charlotte, 25, confessed that the animals and the celebs haven't cleaned up their act too much over the years – as she has a golden shower from a cow.

Excited

Keen to get stuck in, the *Ex on the Beach* babe revealed a cow took a wee on her head and she got down and dirty when she was made to wash a pig.

Speaking in her *Star* magazine column, Charlotte revealed all about the upcoming series of *Celebs on the Farm*.

She said: "I'm so excited. It's going to be hilarious. A chuffin' cow

pissed in my weave while I was milking it – and then I ended up washing a ginger pig called Tara."

Charlotte (above) will be joined by a host of other famous faces on the show and revealed she clicked with two of them in particular.

The busty brunette said: "I got along with all the celebs, but I was really close to Megan McKenna and Louis

Spence. We were like the three musketeers!"

Alongside Megan, 25, and Louis, 49, are *TOWIE* star Bobby Norris, *Strictly Come Dancing* professional Gleb Savchenko, 34, actress Lorraine Chase, 67, and *Gogglebox* babe Sandi Bogle, 53.

Celebs on the Farm sees the eight celebrities muck out stables and learn how to handle cows, sheep and alpacas.

Selfie fanatics dying to drown

PEOPLE who die while taking a selfie are twice as likely to cork it from drowning than any other death, new research has found.

Doctors tallied up selfie-related incidents reported in the media from December 2013 to January 2017.

And they discovered that while most injuries resulted from falling, the leading cause of death was drowning.

But there are outliers – a Russian man died after posing with a grenade, and in 2016 a tourist in China was dragged underwater by a walrus while he was posing with the massive marine mammal.

#HOT'N'HORNY

GORGEOUS Emma Green DREAMS of starring in her very own, homemade PORN FILM.

The 26-year-old stunna, from Camberley, Surrey, even has the exact scenes planned out in her mind, she just needs to convince a fit fella to be her co-star.

Although we doubt the 32DD beauty would have much trouble finding a willing participant if her fantasies are anything to go by!

She said: "I'd put on a little show first to tease, stripping off slowly and rolling around on the bed licking my lips."

Thrill

"Then, when I was completely naked, I'd get my fella revved up with lots of foreplay – maybe some deep throat if he's lucky."

"I'd be on my knees, looking up into his eyes while I suck up and down on his manhood."

"Then, when he's reached the point where he can't take any more, I'd love to lie back while he pleasures me."

"Knowing the camera is rolling would be such a thrill."

KIM K: MY NAKED CHAT WITH DONALD TRUMP!

By **BECCA STUBBS**

becca@sundaysport.co.uk

KIM Kardashian was completely **NAKED** when Donald Trump called her to discuss a drugs mule.

The star was doing a nude photo shoot when the 72-year-old US president phoned to arrange a meeting at the White House regarding 62-year-old Alice Marie Johnson – a great-grandmother jailed for 22 years for a non-violent drug offence.

Speaking on *Jimmy Kimmel Live!*, she said: "I'm naked and my phone rings and I'm all glammed up."

"I put a robe on and I was kinda bugging out during the shoot because I'm like 'Oh, my God, all these amazing

BARELY SHOCKED: Kim was on nude photo shoot when Trump rang

things are happening."

The 37-year-old was invited to the White House with her lawyers to discuss Alice's case, but she admitted things didn't get off to the best of starts.

She explained: "I walk in and I look around and I'm kinda starstruck by the Oval Office. And the first thing I say in our

meeting, I say, 'Holy sh** we're in the f**king Oval Office.'

The reality TV star also confessed she had wanted Trump's rival Hillary Clinton to take over as president.

But after the pair's successful meeting, she insisted: "I have nothing bad to say about the president."

Gang place £53K bounty on bitch

A POLICE sniffer dog has had a whopping £53,000 BOUNTY placed on her head by a Colombian DRUGS CARTEL.

The Urabeños crime gang placed the sum on the head of female police dog Sombra after she helped police catch 245 suspects in the last year, sniffing out almost 10 tons of the feared cartel's cocaine.

Sombra, which means Shadow, is a six-year-old German Shephard and her captures largely came during her work on the ports on the Atlantic coast of South America, where large quantities of cocaine are regularly shipped to.

She is now so highly prized that the dog has been moved to Bogota airport, out of the firing line, and is receiving special protection from extra officers.

SCOT HOOKER 'BEDDED BOY, 14, IN HOTEL SEX ROMP'

NYMPHO:
McGill was
counselled
for sex as
a teenager

A BRITISH prostitute accused of bedding a 14-year-old schoolboy will stand trial in the U.S. next month.

Sarah Louise McGill, 28, earlier pleaded not guilty to "lewd and lascivious battery" after the alleged romp on April 7.

Prosecutors claim she was paid £340 to have sex with the boy at the Courtyard Marriott hotel in Florida.

The Scottish hypnotherapist, who's from Galashiels, Selkirkshire, faces up to 15 years in jail for "engaging in sexual activity with the teenager".

Sublime

Before she was arrested, McGill lived a double life as an international escort and taking £2,000 a night in "donations".

She touted for work online as Sophia Belle and used a series of sexy snaps to lure punters with her "sublime body".

McGill - who lists her bra measurements as 34B, dress size 6-8 - offers men the "perfect girlfriend experience".

It comes as a former girlfriend accused her of being a sex addict at the age of 16, with Emma McWatters, 27, saying vice girl McGill was a nymphomaniac who got counselling as a teen after going off the rails.

Court papers show her bail was set at £1,000 and conditions

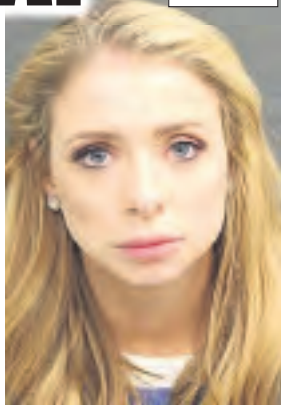

By COLIN HURST
news@sundaysport.co.uk

include her surrendering her passport, not having contact with the boy or "advertising on any internet sites".

McGill waived her right to attend a hearing where charges are read out and asked for a trial by jury.

The former Selkirk High School pupil will return to Orange County Courthouse in Florida on Tuesday, September 11, for a three-week trial in front of Judge Marc Lubet.

Her defence lawyer Donald Lykkebak will also take part in a pre-trial hearing on Wednesday, August 29.

DAY, FOLKS

**5-PAGE
SPECIAL**

YORKS NORKS!

YORKSHIRE Day has arrived and celebrations centred around the historic English county are well underway.

The annual event is held every year on 1st August and there's plenty of reasons for the rest of the UK to love Yorkshire.

As well as being the birthplace of the much-loved Yorkshire pudding and the

By **WENDY THOMAS**
news@sundaysport.co.uk

delightful Parkin cake, there's also tons of fit fillies from the northern county.

There's been a horde of busty glamour babes from there, as well as tons of historical figures, famous faces and stunning TV stars.

Here's a four-page spread of the very best of what Yorkshire has to offer...

**CELEB YORKIE...
MEL B**

POP star Mel B, 43, or Scary Spice, enjoyed years of global success as a member of 90's girlband The Spice Girls. With over 85 million records sold worldwide, it's not too bad for a girl from Harehills, Leeds.

**CELEB YORKIE...
KEVIN KEEGAN**

ALTHOUGH he captured the hearts of Liverpool as a player and Newcastle United as a manager, 67-year-old football great Keegan was actually born in Doncaster.

**CELEB YORKIE...
JESSICA ENNIS HILL**

HEPTATHLETE Jessica, 32, from Sheffield, was one of the stand-out stars from London 2012 and after bagging Olympic gold she became the nation's sweetheart until she retired in 2016.

**CELEB YORKIE...
KIMBERLEY WALSH**

ONE fifth of successful girlband Girls Aloud, Kimberley, 36, started off in Bradford before launching a pop career after winning *Popstars: The Rivals* in 2002.

10 THINGS YORKSHIRE HAS GIVEN THE WORLD!

AS people – usually people from Yorkshire – will tell you, it's a smashing place.

The home of *Emmerdale*, *Heartbeat* and *All Creatures Great and Small*, we all know a bit about England's biggest county, but what has it given us?

Today we look at some Yorkshire icons...

1 YORKSHIRE PUDDINGS

Invented by canny Yorkshire folk to make dinner go further, a Sunday roast without Yorkshire puddings is plain wrong. Even Southerners like them. Interestingly, they're not a real pud. But then Dr Fox is not a doctor and Professor Green isn't a Professor.

2 BEER

Unlike the tasteless dishwater that pubs serve in the South, ale in Yorkshire is lively and full of flavour. Famous breweries include Black Sheep, Sam Smith's based in Tadcaster and Timothy Taylor, in Keighley.

3 LAST OF THE SUMMER WINE

Three old men careering down a hill in a bath on wheels. These days, an idea like that would get you thrown out of any TV executive's office. In 1973 the BBC snapped it up and ran it for 37 years. And in all that time they only needed THREE jokes!

4 WENSLEYDALE CHEESE

This is the cheese that Wallace and Gromit went to the Moon for. It's that good. It's certainly better than a cheese that's made across the Pennines near Bolton – Nob End Cheese was never going to be a success?

5 MICHAEL PARKINSON

Professional Yorkie Parky will tell you at the drop of a hat why the place is so wonderful, which is why he lives in Windsor. But seriously, if you want a free pen just for enquiring, he's your man.

6 TOUR DE YORKSHIRE

If you've been excited by that pedal-fest across the Channel recently, get thessens to Yorkshire where they have a real bike race.

7 FAT LAD AT THE BACK

Cycling clothes maker, Fat Lad at the Back (FLAB), might only be five years old but they have Yorkshire running through their DNA. The Ilkley based company has grown into one of the UK's best loved cycling brands in just five short years, exporting to 42 countries with 25% year-on-year growth.

8 YORKSHIRE TEA

Launching in 1977 as a 'Yorkshire blend for Yorkshire people' they have grown from a local brand to the UK's second favourite brew with over 23 per cent of the domestic market, and export globally.

9 BETTY'S TEA ROOMS

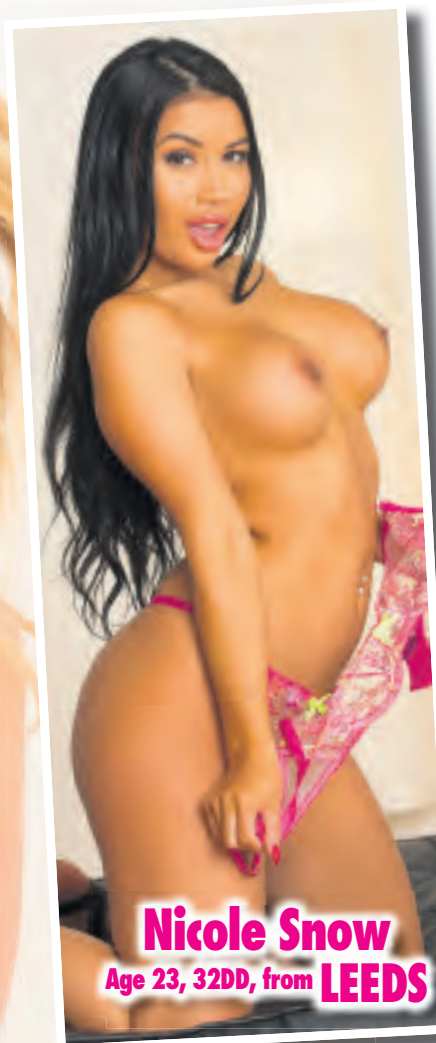

The poshest caff in the north of England, Betty's Tea Rooms in Harrogate caters for the refined tastes of the elite – and coach parties from Morecambe.

10 TOILETS

If you're not shitting out of a window, thank two Yorkshire men. Joseph Bramah, stopped toilets freeze in winter and famous toilet designer, Thomas Crapper, is Yorkshire too.

AS the first ever female Doctor Who, Jodie, 36, from Skelmanthorpe, is set to make history when she makes her on-screen debut as the iconic sci-fi character later this year.

JENNIFER METCALFE

HOLLYOAKS beauty Jennifer, 35, has always stayed true to her Bradford roots despite playing Mercedes McQueen in the Chester-based soap for 12 years.

YORKS NORKS!

CELEB YORKIE...
CHLOE KHAN

BUSTY beauty Chloe, 27, from Wakefield and has appeared on *The X Factor*, *Celebrity Big Brother* and even had a stint in the *Playboy* mansion.

CELEB YORKIE...
GUY FAWKES

BORN and educated in York, Guy Fawkes is one of history's most iconic figures. He was executed at the age of 35 for his Gunpowder Plot. Effigies of him are burned on Bonfire Night on 5th November every year.

CELEB YORKIE...
JESSICA JANE CLEMENT

GLAMOUR girl Jessica, 33, from Sheffield, started out as a topless model before breaking into TV and film. In 2011, she starred in *I'm A Celebrity...Get Me Out Of Here!* and sent temperatures soaring.

'Python's too funny for today'

COMEDIAN John Cleese has suggested the reason *Monty Python's Flying Circus* is no longer regularly shown on TV is because it's "too funny" compared to modern comedies.

Cleese (*above*), 78, laughed off comments in July from the BBC's comedy controller Shane Allen that the Pythons would struggle to get on TV today because they were "six Oxbridge white blokes".

Reacting to Allen's comments, Cleese wrote on social media: "Unfair! We were remarkably diverse for our time."

He revealed that his former Python colleague Michael Palin had previously told him their show had not been shown on the BBC for 17 years.

When asked why he thought it had been so long, Cleese replied: "I don't know, maybe its too funny?"

"It might not contrast well with some of the comedy they are doing now, you see what I mean?"

'Cold feet' Binky puts JP wedding on hold

REALITY TV star Binky Felstead has reportedly put her wedding to Josh 'JP' Patterson on hold after getting cold feet.

The 28-year-old *Made In Chelsea* star (above) has 'slowed down' their wedding plans and Binky has jetted off alone with the couples' 13-month-old daughter India to work out what she wants.

A source claimed:
"Binky is realising that,
even after everything
they've been through,
she's still not sure if he's
the right one for her.

"She's torn about their relationship. Binky feels she's still got time and doesn't want to rush into things."

CHEST THE BEST: Fans wonder why Ben would cheat on lovely Una

ENGLAND rugby player Ben Foden has been dumped after **CHEATING** on his stunning wife Una Healey, it's claimed.

Shock reports reveal that the 33-year-old Northampton Saints star shagged PR girl Becky Milne, 26, behind his gorgeous wife's back.

Now 36-year-old Una, member of girl band The Saturdays, has left Ben and is set to divorce him.

Ben, soon to move to

York, is said to have bonked Becky after a "very drunken party".

After finding messages on his phone, Una dumped him and also called off her impending move to the States, where she was planning to relocate with the couple's children Aoife, six, and Tadhg, three.

Fitter

Fans online have blasted Ben for his wandering eye, and no wonder. Irish firecracker Una flaunted her eye-popping curves as she paraded topless on a recent holiday where she wore nothing but a pair of red and white spotty bikini bottoms.

One online fan wrote: "WHY oh why did Ben cheat on her? He'll never get a fitter bird than Una, there'll be fellas queuing up to get their hands on her teets."

Ben and Una tied the knot in 2012 after four years of dating but the pop star recently grew suspicious of her fella's behaviour.

A source revealed: "Everyone was looking forward to the move but Una had become suspicious about Ben's behaviour."

"She's now decided it's over. She's utterly devastated, but she's very traditional in her outlook."

Wife kills hubby for buying a porn vid

TELLY SEX SHOWDOWN: Furious Patricia Hill shot husband Frank in the head and leg

AN angry wife shot and KILLED her husband after she found out he was buying PORN through their television.

Cops said they received a call from 69-year-old Patricia Hill to say she had just shot her 65-year-old husband, Frank.

When police arrived at the couple's home, about 36 miles south of Little Rock, Arkansas, they found Frank Hill dead in a shed with two gunshot wounds.

Investigating officer Maj. Lafayette Woods Jr. said: "Mrs. Hill stated that she disagreed with her husband's purchase of video pornography via the television guide.

Shed

"She cancelled it upon discovering the purchase, but Mr Hill managed to place a subsequent order.

"Mrs. Hill stated that she entered the shed and asked her husband to leave, but he refused.

"She went back to the

shed a short time later, where she entered and shot her husband twice, striking him once in the leg and once in the head.

"Immediately after the shooting, Mrs Hill stated that she returned inside the residence, where she returned the weapon and called 911 to report the shooting."

She was arrested and charged with felony probable cause for capital murder.

Susan slams 'creeps'

ACTRESS Susan Sarandon has blasted women who have cosmetic surgery, saying the look is CREEPY.

Susan, 71, reckons it's what's inside that counts.

She said: "I think you're fighting a losing battle if you try to stay looking the way you did when you were much younger.

"If I see a woman of 65 who looks 20, I don't think she looks beautiful, I just think, 'victim!' - they look a little creepy to me."

She insisted that real beauty is someone's personality, adding: "It's what's inside not outside, that's the true measure of attractiveness, however old you are.

"I think the sexy people are those who are not classically beautiful but who are open and curious."

Oscar winner Susan (left) keeps herself fit and toned by playing ping-pong. She co-founded the New York ping-pong club 'Spin', which now centres all over America.

STUNNING sexpot Adele Taylor revealed she loves ORAL SEX whether she's giving OR receiving it.

The 32D brunette beauty, from Wembley, London, once surprised her fella by giving him a blowjob while he was driving.

Adele, 28, revealed: "It was amazing. I was feeling so horny that I unzipped his jeans and pulled out his dick.

"I started licking and sucking it - and

he was squirming in his seat. We ended up pulling off and doing it in the back seat down a country lane.

"I just LOVE oral sex - and I'm pretty good at it!

"I have big, soft lips, and I use a top-secret technique that never fails to make a guy climax.

"I like it when a guy goes down on me, too. But I definitely prefer to give than receive - it's my little pleasure."

TOUR DE FARCE: It's been a hell of a ride for both Geraint Thomas's

It has been a weekend Geraint Thomas will NEVER forget.

For another Geraint Thomas, it's probably one he'd LIKE to.

The double Olympic gold medalist and three-time world champion became only the third British winner of the Tour de France on Sunday.

But spare a thought for Geraint Thomas, the visual effects and motion graphics artist who shares the triumphant cyclist's name.

The lecturer at the Universities of South Wales has the Twitter handle @geraintthomas – compared with the new Tour de France winner, whose own handle is @GeraintThomas86, the 86 indicating the year of his birth.

Pub

Due to the similarity, the 30-year-old lecturer, who is also Cardiff-based like his cycling namesake and plays in pub band Johnny Sandel & The Flip Flops, has had THOUSANDS of messages mistakenly sent to him over the past few days.

It isn't the first time he's been mistaken. Team Sky even mistakenly copied him into a tweet two years ago.

But it was when the cycling Geraint Thomas sealed his place in the

sporting history books that the other Mr Thomas's account went into overdrive – despite his Twitter profile stating he is 'not a cyclist, nor do I own a yellow cardigan'.

He said: "It has been great really, very light-hearted, nothing negative at all, all just fun and games."

"It absolutely exploded overnight. I've had more than 13,000 likes to some of my tweets, which make it clear I am not the cyclist Geraint Thomas."

"It's happened before, I even tweeted the other Geraint Thomas once to let him know, and he replied."

"But I've never met him before, even though we are both from the same area. It would be hilarious to meet him in person."

Geraint the lecturer, who hails from Rhondda and now lives in Penarth, has also received thousands of likes and retweets to his humorous response, which include 'so this is what it's like to be famous' and 'for those who want a signed set of stabilisers just get in touch' with the repeated hashtag #imnotacyclist.

Peter told lads not to shag Zara

ROYAL babe Zara Phillips has revealed that her older brother Peter warned all his mates not to SHAG her when they were younger.

The fit blonde (above), 37, is now married to rugby legend Mike Tindall, but when she was a teenager she used to hang out with Peter and his pals.

But there was no chance of any romance between her and his mates because Peter, 40, warned them off.

She said: "Pete was very watchful of how Mike treated me."

"He wanted the best for me. Pete was very protective. All his friends were."

"Did I ever hook up with any of his friends? No way!"

"It was the complete opposite, 'Don't go near my sister!'"

But she has no regrets adding: "Pete is someone who I've looked up to all my life. He'll be there no matter what I need."

Jilly: 'More fun before #metoo'

RACY author Jilly Cooper reckons the #MeToo movement has stopped men and women FLIRTING.

The 81-year-old writer (above) says the sexual abuse push-back in Hollywood has put people off it and says things used to be more fun.

She said: "You can't flirt any more. We used to have so much more fun!"

"I know men shouldn't jump on everybody. But I think men have stronger libidos than women."

Jilly also slammed millennials, adding:

"Millennials are very sweet to me, but I've read they're all virgins."

"They shut themselves away to watch porn all day, I've read. They must find it difficult to get turned on by normal sex."

ORAL SEX ORDEAL OF GAY MAN ...WITH A WOMAN

A WOMAN sucked off her boyfriend in front of a gay man after breaking into his home and screamed: "This is how it's supposed to be done, faggot!"

Laura Landon was one of three assailants who burst into the gay man's house in April 2016 and began attacking him.

The victim, whose identity has not been released, thought he was meeting up with a man from the gay hookup site Grindr.

But when he went to answer the door, he was ambushed by 20-year-old Landon and two males, who cannot be named for legal reasons.

One of the men had a gun and the other had a baton.

Court documents state: "The complainant was then taken back to his apartment and subjected to degrading and homophobic abuse over an extended period and threatened with serious violence."

Slammed

The trio ransacked the victim's home while accusing him of being a child molester and telling him all gay people "should be put to death".

The victim was forced to watch Landon perform oral sex on one of her pals to show him "how it's supposed to be done".

Then they demanded the victim also perform oral sex on the man.

The court documents record: "The robber (paradoxically, given his intense and sustained homophobic attack on the complainant) then told

the complainant to perform the same act on [the robber], but the complainant refused."

The other assailant then grabbed the victim's hand, slammed it down on a table, and threatened to slice off each of his fingers with a cut-throat razor.

After terrorising the victim for almost an hour, the three assailants tore through his apartment, stealing jewellery, cash, credit cards and the victim's car.

When quizzed, Landon initially denied having anything to do with the plot - but cops found the Grindr conversations with the victim on Landon's device.

They also discovered she used it to contact people about selling the victim's car and used his stolen credit card to buy petrol and groceries.

After pleading guilty in court, Landon, of Auckland, New Zealand, was jailed for four-and-a-half years.

Culture Club end 20-year new song wait

THE original line-up of 1980s pop group Culture Club have released their first new material in almost 20 years with the single *Let Somebody Love You*.

Written by singer Boy George (above), guitarist Roy Hay, bassist Mikey Craig and drummer Jon Moss, the song comes as the group readies a new 11-track album called *LIFE*, which will be released on October 26.

The band have sold more than 150 million records worldwide and are best known for hits such as *Do You Really Want To Hurt Me?* and *Karma Chameleon*.

They have previously performed *Let Somebody Love You* live but had never released a recorded version of the track.

The song is in keeping with the band's classic reggae-infused sound.

The band reunited in 2014, some 12 years after playing a 20th anniversary show at the Royal Albert Hall in London.

Porn star promise to win big one for 49ers

PORN star Kiara Mia has PROMISED the San Francisco 49ers American Football team that they'll WIN the Superbowl – because she's DATING their star player.

Kiara, 41, who's starred in *MILF Madness* and *Big Anal Booties 3*, is rumoured to be romancing 26-year-old quarterback Jimmy Garoppolo.

They reportedly had an intimate dinner date last week and now the porn star reckons the 49ers will lift the Superbowl – and it'll all be down to her.

She said: "Jimmy and I had an amazing dinner, he treated me with so much respect and class."

"I've never been a fan of football, but now I'm officially a fan of football."

Mandy Smith says...

I DON'T think people should have to tell each other how many people they've slept with. As long as they're only sleeping with me at that moment, I'm not interested.

Joanna Jenson says...

I'VE bonked around 16 blokes, so I'm open to telling how many men I've romped with. I'm experienced enough that I know how to give them the night of their lives...

Okay fellas, give us the **REAL** score on the bonking front...

NEW research has revealed that fellas might EXAGGERATE the number of people they've SHAGGED.

Previous studies have shown that, on average, men in opposite-sex relationships reportedly have a higher number of sexual partners than women.

However, the latest new research has proven that blokes may be prone to exaggeration when remembering their past bedroom encounters.

Results have shown that men are more likely to ESTIMATE the number of people that they've had sex with, which is why their numbers may surpass those of women.

Extreme

On the other hand, women are more likely to recall the EXACT number of people that they've slept with.

Researchers from the University of Glasgow decided to explore the disparity between the number of sexual partners men and women claim to have had with members of the opposite sex.

The team assessed data from 15,162 Britons, which found that men had an average of 14 sexual partners and women had an average of seven.

The study, which was published in

The Journal of Sex Research, came to the conclusion that there were three main reasons why the men polled had approximately double the number of partners than the women.

The first was that the men had a greater tendency of reporting "extreme values" – meaning that they exaggerated their figures rather than providing definite amounts.

Secondly, women preferred to count the exact number of people that they'd slept with, which is why their answers were more accurate.

Lastly, the men and women were found to have differing stances on casual sex, with women more likely to omit people who they had slept with during a one-night stand from their final counts.

Study leader Dr Kirstin Mitchell said: "Accurate reporting of sexual partners is crucial to a wide range of sexuality research.

"Including measuring trends in sexual behaviour and assessing individual risk of sexually transmitted infections (STIs)"

We invited three *Sport* beauties to give their views on their 'sex numbers'...

Night owls enjoy more one-night stands and casual sex

By BECCA STUBBS

becca@sundaysport.co.uk

NIGHT OWLS tend to have more one-night stands and spontaneous SHAGGING sessions.

A new study has found that people who naturally prefer to wake up later and stay up longer tend to have more relaxed attitudes towards casual encounters.

However, early birds are likely to be more conservative when it comes to bedroom bonking habits.

Those who are early to rise and early to bed are likely to be reserved between the sheets, according to the research by Pennsylvania State University.

A person's tendency to engage in uncommitted sex is known as their sociosexuality, explained study author Dr Robert Matchock.

More than 550 young adults answered a series of questions – including being asked about their actual behaviour in the past, such as how many times they'd had a one-night stand and their attitude towards casual encounters.

They were also asked about their interest in engaging in, or their tendency to fantasise about, uncommitted sex.

Romping

Dr Matchock found that in men and women, evening people were more likely to be open towards casual sex and more likely to fantasise about strangers than morning types.

He said that an 'unrestricted sociosexuality' in night owls may be a consequence of other characteristics that previous studies have found to be associated with evening people.

He said: "Eveningness for both men and women is associated with a more unrestricted sociosexuality."

"This may stem from a broader suite of personality traits, such as impulsivity or openness to experience."

Sport stunna Alice Spencer says she's a night owl and revealed: "I love sex, so I'm definitely true to this survey."

"Shagging is a big part of my life. I'm not bothered when or where I get it and I've got a list of men who'll happily bonk me."

"I'm definitely a night owl, I love staying up all night either romping or playing with myself."

"If I go to bed early, I miss out on all the fun!"

THE WORLD FAMOUS AGONY Page

Dear Sam,

I WAS driving back from holiday in the early hours when I was shocked to see the petrol warning light flashing.

I was cruising along hoping for a bit of luck when I saw the lights of a 24-hour petrol station.

I filled up but then, disaster – I'd left my handbag and credit cards at the home of a friend I'd seen on holiday.

So I took the bull by the horns and owned up to the rather hunky fella behind the counter.

And I was filling in a form when I suddenly heard myself saying: "How about a blowjob in exchange for the petrol?"

He laughed, blushed and then said OK. I went behind the counter and I had his seven-incher in my gob in no time.

By then he was game for anything and we went in the back where he rammed me over the desk.

We are now an item and I get a discount on petrol.

KS, Dorset

Sam says...

HOPE you get plenty of mileage out of this deal.

Dear Sam,

I MADE a real fool of myself at a barbecue last weekend. As per usual, it all happened because I'd had too much to drink.

I was swaying gently in the breeze in the back garden, swigging on yet another bottle of beer, when the ugliest woman at the party came over and chatted me up.

I wasn't in a fit state for anything but she wouldn't take no for an answer and, with my beer goggles brimming, I allowed myself to go inside and upstairs with her.

I just stood there as she hauled down my shorts and boxers and clamped her gob round my tool.

To be fair she did get me hard, but I must have drifted off because the next thing I remember is waking up on the bed to find her bouncing on my cock.

She rang me the next day while I was hungover and I agreed to a date. How can I get out of it?

MM, west Yorks

Sam says...

TURN up, see what she looks like sober and clear off is she's a real minger.

Girlfriend's cock-up has cost me nightly gobble

Dear Sam,

ME and my girlfriend have been living together for two months and she is still up for anything – she's even let me take her up the bum a couple of times.

One thing in particular that she loves doing is giving me oral, which she will do at the drop of a hat and often without warning!

When I get home from work at 6pm she's often waiting behind the door on her hands and knees ready to unzip me and take me between her hot lips.

She has a great technique and is an expert at deep throat, taking my full shaft right in before slowly teasing my bellend with her tongue.

But last week I arrived home

with a workmate. I had to get something out of the boot of the car and he went in first.

My girl was stark naked behind the door and made a grab for his bollocks as he walked in.

When she realised it wasn't me she screamed in fright and fled to our bedroom, refusing to come out.

My mate was so embarrassed he's giving me a wide berth and now my girl won't speak to me – let alone give me my nightly gobble.

What can I do to sort out this frustrating situation?

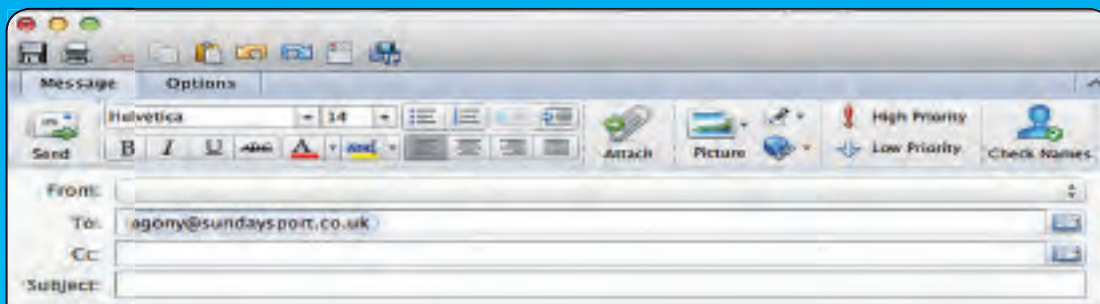

BS, Lancs

Sam says...

TELL her it wasn't her fault and hope normal service is resumed soon.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Hooker is draining my cock – and my wallet!

Dear Sam,

I'M a father-of-three who got divorced a year ago and I've been dating a hooker for two months.

Actually, I'm not really dating her because it's costing me £300 a week to "take her out".

She's blonde, 21, and sex-mad. I met her one night when I was kerb-crawling in the red-light district. I picked her up and she charged me £50 for an expert blowjob followed by a dirty scuttle – and I have to admit I was instantly hooked.

Saucy

In fact, I was so infatuated with her wonderful technique that I arranged to pick her up again the next night – and I've seen her and shagged her almost every night since.

I don't simply give her one now, though. First, I take her for an expensive meal and then I drive her to some secluded spot, where I hand over the readies and she wastes no time getting down to business.

Last month I took her on a week's holiday to north Wales. I booked a luxury caravan and bought her some saucy lingerie and a nurse's uniform. She charged me a wallet-busting £600

for the week, so I was determined to make her earn it.

On the first night she wore stockings and suspenders and put on the sexy nurse's uniform.

She looked tremendous in the tight uniform, which showed off her big tits and lovely legs.

I got my rock-hard knob out and she sucked me off, running her hot wet tongue up and down my shaft and licking my balls.

She then got her tits out and brought me off all over her fantastic boobs.

We then went to the bedroom and I undressed her and plunged my head between her thighs to lick her out for a while.

The wonderful aroma of her fanny juices soon got me hard again and I spread her legs wide before plunging my cock into her.

She was loving it as I pounded away

and she wrapped her legs around my shoulders so I could penetrate her more deeply.

I then took her doggy-style. It was brilliant as I could watch her tits bouncing all over the place in a mirror opposite the bed.

I still see her every night and recently I asked for a discount because I'm spending so much on her.

She said no, but I didn't complain because I'm happy to be going out with her after being stuck in my lonely flat. I want to marry her, but I'm afraid she'll tell me to piss off.

Could you give me some advice please?
MT, Liverpool

Sam says...

I CAN'T help feeling you're being taken for a ride by this woman.

Dear Sam,

AFTER much pestering, my wife of 10 years agreed to let another man fk her while I watched.**

We decided to pick a guy off the internet who claimed to have a huge knob and invited him round to our house.

After a few drinks the missus was pretty tipsy and she put her arms around him. He looked at me, as if just to confirm it was all right, and I nodded.

He started caressing the wife's boobs and I watched as her hand snaked between his thighs, searching for his cock.

He spread her legs and slipped between them. She raised up her knees as he placed his cock at the tip of her pussy.

Slowly he slid it into her, inch after inch. He finally got way in and the wife groaned loudly, saying that she'd never felt so full in her entire life.

I watched as he began slowly f**king my wife, sliding that large cock inside her.

I watched, masturbating myself, and just as he pushed himself all the way into my wife, shooting his load, I came all over her.

The problem is she wants it to become a regular thing, while for me it was just a one-off.

DB, Birmingham

Sam says...

YOU'VE really only yourself to blame.

Dumped – because I watched lesbo romp

Dear Sam,

I'VE just returned from a lads' holiday in Tenerife. We had a great time with the reps, who were up for just about anything.

I'd promised my girl I'd be faithful, so the closest I got to shagging was when one of my pals brought back a boiler in the early hours and banged her in the bed next to mine.

But on the last night I got totally pissed in a nightclub and managed to lose my pals as they went off in search of some party girls.

I ended up wandering down several corridors when I got back to the hotel and caught a glimpse of two women necking outside one of the rooms. To my surprise, they invited me in.

Moist

One was a cute little blonde and the other was a flame-haired, big-busted stunna.

They told me they were lesbians, so I couldn't join in, but they added that they enjoyed having an audience sometimes.

I sat on the balcony as they stripped off on the couch and took it in turn to lick one another's moist fannies.

They were putting fingers up and chewing on fanny lips while I watched. Finally, they beckoned me inside and let me jerk off over their tits.

Last weekend I told my girlfriend about it and she dumped me.

But I don't think I did anything wrong. Do you?
PL, Lincoln

Sam says...

YES you did – you told her.

FAVOURITES:
Man City

OWEN: I'M GOING FOR PEP DOUBLE

I spoke to BetVictor Brand Ambassador Michael Owen about his thoughts for the forthcoming season and below is his top six for 2018/19 – do you agree?

1. Manchester City (8/13 at BetVictor)

City might not dominate as they did last term, but I still feel they will make a successful defence of their crown. The champions finished nineteen points ahead of the opposition last season and it will be difficult for the others to bridge that gap although I will be surprised if they maintain that domination this term.

2. Liverpool (4/1)

I am convinced that Jurgen Klopp's progressive side are the biggest danger to City this season and I feel they will give Pep Guardiola's side a real run for their money. The Reds look to have improved in a number of key areas this season and the signing of Brazilian keeper Alisson could be the last piece in the jigsaw.

3. Spurs (14/1)

Spurs move into a "new" 62,000-seater stadium this season but I know a number of fans have been left frustrated at the lack of new signings this summer. Mauricio Pochettino will not want to lose Toby Alderweireld – who is reported to be a Manchester United transfer target – but they have quality in all departments and can maintain their place in the top four.

4. Manchester United (6/1)

It has been a difficult summer for Jose Mourinho and all United fans despite the signing of Fred although the Old Trafford boss remains optimistic of at least one more major signing before the close of the window. The Red Devils finished runners up last season, but I don't think they will emerge as realistic title contenders or neighbours City's biggest challengers for the title this season. This is a potentially defining season for United's big players Paul Pogba and Alexis Sanchez and, indeed, for manager Jose Mourinho.

5. Chelsea (12/1)

Former Chelsea manager Antonio Conte won the Premier League and FA Cup in the last couple of seasons at Stamford Bridge and this could be a transitional season for the West London outfit. New boss Maurizio Sarri will need time, but he has inherited a very good squad although several of the title winning team are looking at potential moves away from West London. Keeping his best players will be his biggest challenge in the next week and I don't see the Blues making a return to the Champions League via the Premier League this season.

6. Arsenal (20/1)

Arsenal start life without Arsene Wenger and I feel Unai Emery will also need time as he tries to get the Gunners back into the Champions League. I'm not convinced they have the squad to make a top-four challenge, but they will pick up plenty of points at the Emirates although they must show they have the defensive capabilities to compete with the best on the road.

CHELSEA MISS OUT ON ARGIE ACE

Blues striker target Gon to Milan

OFF TO MILAN:
Gonzalo Higuain

HIGUAIN SNUBS SARRI REUNION WITH AC DEAL

GONZALO Higuain has completed his move to AC Milan, killing off Chelsea's hopes of getting him.

The striker has signed an initial one-year loan with the San Siro giants having the option to pay Juventus £32m to make the move permanent.

The 30-year-old Argentina ace has decided to stay in Italy rather than rejoin his former boss Maurizio Sarri at Stamford Bridge.

The fact that Chelsea refused to get involved in a bidding war for Higuain has raised hopes that Eden Hazard can be persuaded to stay at the club. The Blues have

By **JOHN ANTHONY**

just given N'Golo Kante a new £290,000 a week deal to persuade him to sign for five years rather than leave for Paris St Germain.

That's £90,000 more than the Belgian gets—but there's a massive offer on the table for him too.

Chelsea are willing to match any wage offer made by Real Madrid, who are trying to sign Hazard.

At the back, the Blues have told Thibaut Courtois that he can't head to the Spanish giants until they have signed another goalie.

Real are prepared to pay £30m for a stopper who can

go for free next summer. Chelsea would like to get the cash but are willing to let him go for nothing in 12 months rather than be left short between the sticks as they battle to regain their top-four spot.

So far they have been rebuffed in their chase for Everton's Jordan Pickford and they are expected to make a move for Leicester's Kasper Schmeichel, Manchester City reject Joe Hart or Stoke gloveman Jack Butland.

The England No2 is expected to leave the Bet365 Stadium for a Premier League club before the window closes in eight days' time.

Real Madrid manager

Julen Lopetegui has made no secret that he wants a new goalkeeper. But he has been backing up current No1 Keylor Navas, who showed improved form last season.

He said: "I spoke with him and we are happy to have him and happy it is how it is."

"There is nothing more to say. Keylor has been crucial to this team for a long time and will continue to be. We want to continue enjoying the performances that Keylor has given for Madrid."

"We won't talk about hypotheticals."

"The reality is that I am convinced by the team I have. I prefer not to talk about things that haven't happened."

GENIUS: Prescott

Tuck into tasty Pie at Glorious Goodwood

WINNING POST WITH BEN MORGAN

PIEDITA (1.50 Goodwood, NAP) looks your typical Sir Mark Prescott staying type who is improving with age as she put in a classy performance at Chester.

She was giving plenty of weight to a nice sort that day but cruised past her with minimal effort and although she didn't find much in front she ran through the line with ears pricked which suggested she had plenty left.

Another four furlongs await her here but I see no reason why she shouldn't get it and with most of the market attention set to be on Lil Rockerfeller, I'm hoping she may drift out to 7/1 and if she does she is a free each way bet.

Mark Johnston isn't too far away in middle distance handicaps and he runs three in the 2.25 and it's **BAILEY'S EXCELERATE** who edges my vote.

He hasn't been seen since running a respectable race at Royal Ascot where he was far too keen yet still finished 8th. Perhaps better judged on a commanding success at Haydock where he attracted plenty of market support. I think it is interesting Johnston has left him for this and at 14/1 I think he looks a cracking each way bet.

The Molecomb looks wide open this year and I am opposing the jolly, Soldier's Call.

VINTAGE BRUT is a huge price at 8/1 if you can forgive him his Ascot run where he saw far too much daylight and raced away from the main pace in a race which I have my suspicions about.

Freshened up since then I expect him to return to the form which saw him win the National Stakes at Sandown.

A lot of people don't have much faith in this year's batch of three year olds but I believe **WITHOUT PAROLE** is a machine.

His past two races haven't reflected just how much he has in hand on inferior rivals as both have turned out to be messy races where he has just got the job done.

There may be a lack of pace today and tactics will be key but if Atzeni lets his mount roll on the front end in a Frankel-esque manner I would be expecting a dominant performance as he's the best miler around. **Ben's Best Bet** - Lucky 15 - Piedita, Bailey's Excelerate, Vintage Brut & Without Parole

ONE BETTER THAN NONE

JOSE Mourinho has changed his tune about his squad — suddenly saying that just one more signing will suit him fine.

The Portuguese has spent most of the summer moaning that he hasn't got enough players. He was talking about a hitlist of FIVE targets he insisted Manchester United needed to bring in.

Now it looks as though he would be happy enough just to get one new player — probably Leicester's Harry Maguire. If that deal doesn't come off, he would like to sign Tottenham centre-back Toby Alderweireld.

BY ANDY MILLOM

Mourinho is still trying to put a bit of pressure on chief executive Ed Woodward by mentioning that there are two players that he would really like to bring in.

The Portuguese said: "I am confident I get one, but I think two I am not going to get which is not a drama."

"I think in every pre-season it happens basically the same and probably with every club, which is the manager wants more."

"It's our nature, it's our way of being — you always want more for your team."

"But then club decisions are different and normally you don't get what you want, which happened basically during all my career."

"So, if I get one player until the

end of the summer market, that's fine."

Like most top Premier League teams, United are struggling to give their World Cup stars enough time off before the new campaign.

He could be without the likes of Paul Pogba and Romelu Lukaku for next week's big kick-off.

Mourinho was complaining about his lack of strength in depth when spanked 4-1 by Liverpool in America last week.

But he seems to have cheered up a little since then. That said, he is still making it clear that the line-up will be very similar to last season's.

Mourinho added: "More or less I know my best team."

"It's not going to be very different. We have basically the same players."

Fair

"The players that we have bought one is a goalkeeper cover, another one is a 19-year-old kid."

"So, in fact, we have one new player which is Fred so of course our team is not going to be very different."

The transfer window closes a week tomorrow, ahead of the opening game of the Premier League season.

The rest of Europe is open until the end of the month, meaning players could leave.

Mourinho said: "I am not a big fan of some player to start the Premier League with one club and a couple of weeks later the transfer window is still open and he moves to another club and he plays against his former club. I really don't like that."

"What I don't agree is that the Premier League starts now."

"You look to other countries and the countries with lots of players in the World Cup, they start later."

Jose will take what he's given in transfer market

WHAT'S IT ALL ABOUT? ALFIE!

BY PAUL THOMAS

FULHAM are ready to splash out £18m on Alfie Mawson from Swansea.

The Cottagers want more Premier League experience on their return to the top flight and have made the England U21 international their prime target.

They have beaten Burnley to the deal. Mawson, 24, started his career at Fulham's neighbours Brentford before heading to Barnsley and then the Swans two years ago.

His performances earned

him player of the year awards with the Welshmen who have dropped into the Championship.

The centre-back has been called into two England squads and is on the verge of making his debut for Gareth Southgate's men.

It has been a busy summer at Craven Cottage with manager Slavisa Jokanovic spending some of billionaire owner Shad

Khan's cash. He's the man who is trying to buy Wembley Stadium from the FA but he won't move Fulham from their home which is being redeveloped.

Newcastle striker Aleksandar Mitrovic is putting the final touches to his permanent move to west London after impressing on loan last season.

Nice duo Jean-Michael Serri and Maxime Le Marchand have already arrived at the club.

They have been joined by

goalkeeper Fabri and former Chelsea schemer Andre Schurrle in what should be a squad well capable of coping with the top flight after four years away.

Skipper Tom Cairney said: "We have pretty much kept the squad together that won promotion."

"But we've needed to bring in other players."

"Everyone knows how hard it is to stay in this league. But the ambition is clear."

JOSE MOURINHO says he will be happy if Manchester United sign just ONE more player this summer.

The Reds boss has been sounding more and more desperate as the end of the transfer window approaches in just eight days' time.

He wanted FIVE deals but has lowered his sights and will be happy with anything he gets.

Mourinho said: "If I get one player until the end of the market, that's fine."
